

**BC HIGH SCHOOL RODEO ASSOCIATION – BUILDING CHAMPIONS  
IN AND OUT OF THE ARENA FOR OVER 40 YEARS!**

High School Rodeo promotes the sport of Rodeo and the highest conduct of sportsmanship, exposes a positive image to the public, promotes the Western Heritage, promotes family, friendship, mentorship and offers the opportunity of continuing to higher education.

BC High School Rodeo operates solely on the support of business and families. Both of our Regions host independent rodeos in communities throughout the Province during the season. We also host two joint events each season. Our season ends with two Provincial Finals – one for the Juniors and one for the Seniors, where both Regions send their top 12 competitors from each event where they will compete for the title of BC Champion as well as a qualification to compete at the Canadian and National High School Finals Rodeos.

The members and parents South Region of BC High School Rodeo are planning our Annual Gala for February 17, 2018 at the SPIRIT RIDGE-NK'MIP RESORT in Osoyoos. The Gala is one of the most important fundraisers within our association to support Year-End Awards and Scholarships. The evening will include dinner and a dance along with a live auction, looney auction and 50/50 draws as the fundraising activities.

We are currently searching for donations from individuals and businesses of items to include in our fundraiser auction. Your support would be greatly appreciated so that we, as an association, can reward our members for all of their hard work throughout the rodeo season. Every year we award 17 Scholarships for \$250 each to the Provincial Champion in each of the rodeo events. There are also awards given to the top three in each event, as well as season leader awards for both the North and South Divisions.

The BC High School Rodeo Association is endeavoring to provide the support to allow these students to participate in a sport which helps to develop their spirit of sportsmanship, citizenship and responsibility, as well as an opportunity for continuing education.
